

# TANVIR AHMED SHIDDIQUEE

---

## Full-Stack Developer

Dhaka, Bangladesh | +8801586382310 | ahmedtanvir444@gmail.com | GitHub | LinkedIn

### CAREER SUMMARY:

---

Passionate Software Engineer with 2+ years of experience in developing web applications and backend systems. Skilled at writing clear, concise code that is easy to maintain and troubleshoot. Experienced in working both small and large teams.

### WORK EXPERIENCE:

---

Blinto LLC

Software Engineer, Level 2 | January, 2025 – October, 2025

- Built scalable full-stack applications using Remix, optimizing server-side data queries.
- Architected and integrated an efficient webhook processing infrastructure using better-queue, improving processing reliability and throughput.
- Handled session authentication and automated emails with **nodemailer** to improve communication reliability.

Blinto LLC

Full-Stack Developer | May, 2023 – December, 2024

- Designed and implemented **robust backend services** and **RESTful APIs** using **Node.js**, **Express.js**, and relational databases to support scalable web applications.
- Developed and maintained secure **Shopify GraphQL API** integrations using `authenticatedFetch` and signature verification to enforce API best practices.
- Built automated workflows with **node-schedule** to improve reliability and messaging.

### PROJECTS:

---

#### Giftify: Gift Wrap & Notes

August 2023 – December 2024

- Offer gift wrap, gift notes, and cards with Giftify's easy setup.
- Product page widget – add gift wrap or message before checkout.
- Cart page & drawer – manage gift wrap and notes in the cart.
- Customize wrap styles and gift messages to fit your brand.
- **Technologies:** React, Polaris, Express.js, GraphQL, PostgreSQL, Prisma, Webhooks, Liquid

### EDUCATION:

---
